

Ministered to David and Carol Joy by the Holy Ghost

December 1, 1995 Mark Brazee (Dad) (To David)

Sooner than you think. It's going to happen sooner than you think. Yeah, what's been burning like wild fire on the inside, it's going to happen sooner than you think. And it's not going to happen the way you think. It's going to be better.

March 26, 1997 Mary Frances Varallo

So I have seen the two of you. I just see you last night with Mark, but I don't know who you are. But there has been such scurrying, around and about the two of you it seems to me, and the word event, and event concerning the two of you. Do you understand me when I say event? Something that is happening to you and for you. Things are changing suddenly for the two of you. Even in the things you use to do I do see. And as I looked this morning, I did see. A going did I see. A going did I see. A going did I see. Do you understand me. Good. And so all the particulars, and parts, and pieces. My God has made available to you, all that is necessary and favor too. There's a tarrying in the side of you. Inside you. But God so makes the way for you. And I do see nations written on you. Is that true? And so it shall be. And you will go. And all and more that you need. Cause God has called it to be so.

March 1997 Rev. Joseph Morris (To David)

A tent preaching anointing on that man. A fiery tent preaching anointing. I am not saying you will have a tent, but a tent preaching anointing.....whew

You have been there before. It really got stolen. It's got to come back seven fold, is that right? It doesn't have a choice it's looking for you!!!! It doesn't have a choice. It doesn't have a will of it's own. (ray Gene laughing in the background) You call it in!.....whew

September 1997 Rev. Cindy Duvall – Shekinah Glory (to Carol Joy and David)

Serve, Serve, Serve, Serve, Serve, Serve, Serve, Serve, (Ha, Ha) Uhuh, But there's something different here, yeah, theres, while you're serving you're picking up another load, picking up another mantle (Ha, ha, ha) picking up another mantle, another mantle, Ooh, draw down on those deposits already made on the inside, Teach Teach Teach Teach Teach (tongues) ooh Ha ha ha here it comes, here it comes, you'll be amazed yourself, Oh I didn't know all that was in there, Oooh (Tongues) Teach, Teach, Teach.

(Let him pick up some of that up, over a period of time, you couldn't do that until you got here.)

Pastor Wayne Pendleton - Another time, on the same day:

Here just in time, just in time, that's what I heard, just in time, just in time, not late, not late, not early, just in time, just in time. **Oh yes, you're picking up a load, picking up a load, there's going to be more to pick up, more to pick up** (Tongues) Ha,ha,ha, **so get ready cause these hands are picking it up.** (Groaning, tongues, groaning, laying on of hands)

Spring 1999 Joseph Rodriguez in Domata Poland

What God would like to speak to you. What God would like to tell you. There are some things coming in the future. There is an anointing coming to you, there is a place for you. There is a group of people for you, says the Spirit of God and you will be hooked up, you'll be under leadership at this time. He's seen your heart and your humbleness and your hunger and He sees the preparation of your heart. I see some praying, I see some quiet times here. I some should I or shouldn't I. But's it's the FIRE that I have put in you, it's that hunger that I have put in you. And there will be a time when you shall go, but there's a time of learning, the Spirit of God said to tell, you that. He said now don't get anxious (hurry) and don't listen to voices.

Don't be led astray. Because when the time comes says the Spirit Of God, there's a place and a people, and it will be a strong word, it will be a strong work and it will stay, because there is stability that I put in you. (come up here son – is that your wife? Come up here the both of you) Haha Glory to God (Tongues) Hold hands please, You'll sit under leadership and you will be in leadership and the anointing will become stronger, I will teach you concerning this says the Spirit of God, mmmmm I see you in a place. I'ts a small place. I see some people. I see you reaching out. I see you on the phone, I see you writing letters, laughing rejoicing. I see you on the phone, asking, your saying OK I'll do that OK and I'll call you if it don't work out" hmmmmmm. That's what I see you doing

(Tongues, layed hands, laughter about 10 times) Yep. Thank you Jesus. Mmmmm Glory to God mmm Thank you Lord mmm Thank you lord. And you say this: That's because of whats been put in my heart and whoever it is I don't know who they are, Both of you have said we want to be just like them, we better listen to them, let's listen to what they are doing, because we can trust them. And so others will trust you, Just hold steady, be patient , your time will come. (HaHHaha, Glory to God, Thank you Jesus. (Continued in his message) So we can see... (tongues) Thank you Lord. Hallelujah, Glory, Thank you Master, Holy Spirit I love you so much, Thank you Jesus....

Can I say something to you son by the Spirit.... Don't try to figure this out – Just rest in Him – Don't try to figure it out, leave it alone, enjoy yourself, enjoy the Word, enjoy the anointing. Don't try to figure it out, because really it's all done already, it's already done so just enjoy it. (Laughter in the background, Pastor Larry, other) Ha Ha Ha Ha Thank you Lord Jesus.

Spring 1999 Joseph Rodriguez in Domata Poland to Carol Joy

Be anxious for nothing but by prayer and supplication that your request be made known unto me. Don't Worry – the light of God is upon your life. No no no no your doing great, your doing good, your doing well, your where I called you to be. Don't think of those things anymore. Just think about me, your doing great – ha ha ha ha ha ha. Think more highly

of your self, you ought to says the Lord, ha ha ha ha ha. He says I've called you and anointed you ha ha ha ha. Ive anointed you – ha ha ha. You have nothing to fear.... Nothing to fear....nothing to fear. And I want to show you says the Spirit of God – oh the rest you will have tonight. The evidence will be tonight, you'll sleep & sleep and tomorrow your going to get up light as a feather. Youre going to say I haven't woke up like this in days and months. I know it, says the Lord....that's why I'm speaking to you this day. You want rest – here it is....filled with the Spirit (yeah-shhhh- Glory to God – tongues) ahhh this will bring comfort, this will bring comfort, this will bring comfort, this will bring strength, hahaha

(To David) I know it, I know it, I know it, I know it - that's why I had to tell her that, that's why I had to tell her that – Sure ha ha (Larry laughing a lot) Glory to God (Larry still laughing) tongues – see, you wanted to cross over – you crossed over – you crossed over – your on this side now – you wanted to enter in.... well you entered in.... uhmmmm now that's why your resting... enter into the rest – uhmmmm, oh boy your on your way – it's settled now – don't ever bring it up again – it's over now..... ha ha ha ha ha ha ha.....

Summer 1999 Longmont Camp Meeting - Pastor Wayne Pendleton

Miracles, Miracles, Miracles, Miracles, Miracles, Miracles, Miracles.

September 9, 1999 Thursday Rev. Joe Morris in Domata Poland

For Poland – a new boldness in my life, a new vision, a new confidence. I will go into that land, I will go into that place and shake the nation and bring forth the Glory of the Lord, it shall be rot by His hand. For He said I will pour out my Spirit on all lands and this is your day of visitation, this is your day of out pouring of God in this land. So rise up in this place and say I catch it Lord – there is heaven in this land, there is an out pouring of heaven in this land – o it's a visitation of our God – watch and see what heaven shall bring this land.

That Brother there, the sound man David Breed – You watch the Lord is going to use you in this land, you even said I will take a back seat here in this land, I'll just keep a low profile, I'll just serve and do what I'm suppose to do – you watch the Lord will use that which is with in you to help build that fire – to help expand the fire of God – you'll have to lift up your voice. You watch what the Lord will do through your life, amen hallelujah, this is your time Brother, Ha Ha, wooooo.

Pastor Larry said one time in Poland.

Keep taking a step everyday – need to step into the move in the church, I am being hard on you cause God wants to change this nation, that's why! People are praying for you!!

Pastor Ray Gene – July 27, 2005 Wed night service at the Santa Barbara beach church

Establishing, that's why you're here, establishing (tongues) apostle. A PLACE, Carol said he was pointing to different places in a circle or a u shape., gifts.

Shelly Pinier Wed night Aug 2, 2005 - SB, CA

Carol – It's a lie it's the same lie he tried to use on you before (Poland) it's the same lie, lie that he used way back in the garden. Peace. Spirit to spirit. (after she got finished the anointing it almost knocked Shelly over Zeke had to catch her, there is a connection between Shelly and Carol)

David – I see promotion all around you, I see promotion for you. Something that – like a clock as it goes around the hand there is a glitch that stops it once in awhile, and stops it from working at the speed and the way God has it to work and I am removing that right now. Finances. Your heart was so tender for God.

Max – never stray 1 day away from God, he will be an achiever, not just an achiever but a SUPER achiever. Thank you for the gifts and talents on him.

Gary and Connie Crowl 2017

We have every need met in every bill paid!

When we need it it will be there!

Finances will not be a problem - things are going to change

Every time we have need of it it will be there

We have ever needs met and every bill paid - when we needed it will be there

God will provide, every place you put your foot, keep walking forward,

You have to act before the money first then the money will come in

Gary Crowl November 17, 2018

(Gary and Connie praying over David and Carol Joy at Believers International Church Missions Conference, Santa Barbara California)

There was in Antioch certain prophets and teachers beginning with Barnabas and ending with Saul as they ministered to the Lord and fasted the Holy Ghost said, separate unto me Barnabas and Saul for the work where unto I have called them. And so it is tonight also, that I speak unto you by the Spirit, that it's time to step out, into that which I have prepared for you and called you to do. And as, and as it is an any, any ministry, it requires faith, it requires obedience, it requires commitment, **But** you have the Spirit of God on the inside, you have the anointing and the power of God resting upon you, for it is by the Power of God, the Holy Spirit, and by the Holy Spirit working in and through you that you will accomplish that which the Lord has prepared for you, **so this is the night and you will remember, and this is the time, that you must press into that or step forward into that which I have prepared for you. The work, the work which I have prepared for you.**

So you must step out in faith and when you do the anointing will come. And the anointing, will show you and lead you into that which has been prepared for you. And that anointing will increase and revelation will come, revelation by the Spirit and revelation to your spirit and you will see and know things that you have not seen clearly **before**, but now you will see them.

And when you speak by the anointing and by the Holy Spirit the words that will come forth will come forth with greater power and greater manifestation, **so this is the time and this is the hour to walk into that which I have prepared for you, and again you must possess that which has been prepared for you, and it will not always be easy, but you have the power, you have the anointing and when you act upon what I have said onto you that power and anointing will be in operation, and you will walk into as it is a new area of ministry, and you will see and know things you haven't seen before, So, this is the time and this is the hour to move forward and to be obedient by the Spirit.**

Hallelujah, thank you Lord for it, we thank you Father for a greater manifestation of your power, a greater manifestation of your anointing in operation, in demonstration, Hallelujah, Hallelujah, Revelation Gifts in operation, to a higher degree of anointing, Hallelujah, we thank you for that, my, my, my,

(tongues xxx, ha, ha XXX) **it will be like someone took the brake off, (Carol Joy laughing) and so you will move forward, almost lurch forward spiritually speaking and things will change, Hallelujah, so nows the time, Hallelujah, now is the time, now is the time, the step forward into that which I have prepared for you, and to be obedient, be obedient in what the Spirit is saying, for it is for it is those who are willing and obedient that eat the good of the land, Hallelujah,**

Hallelujah, Thank you Lord Jesus, Thank you Lord Jesus,
Thank you Lord Jesus, Hallelujah, Thank you Lord Jesus,
Thank you Lord Jesus, Thank you Father, Thank you Father,
Thank you Lord, Thank you

(Tongues laid hands on David and Carol Joy Gary snickering) Hallelujah, Thank you Father, Thank you for the anointing, Thank you for an increase of the anointing (Tongues) ooh my, my, my Thank you Lord, Thank you, thank you, thank you, thank you, Yes (Tongues xxx)

Hallelujah, Hallelujah, for the gifts and the callings of God are not irrevocable, the're irrevocable, what God, what God says and what God gives, He never changes His mind, He doesn't change His mind, **He hasn't changed His mind about you, He hasn't changed His mind about what He said, hasn't changed, He hasn't taken it back, so what He said to you, what you know in your heart what He said to you, is what He wants you to do, He wants you to act on, and you know it, and you know it and when you do the anointing increase and come,** Hallelujah,

Thank you Lord for it, Thank you Jesus, Thank you for it, Thank you Jesus, Hallelujah, Hallelujah, Thank you Lord, Thank you, Thank you, Thank you Lord (Tongues) Thank you Father, Hallelujah, **Amen, Amen, Hallelujah, Thank you Jesus.**

12:50 into prayer time.

(Hold, hold on....) haha, Ok, He gave you her to help that, so He... Hahaha, hahaha, I'm kinda teasing, I'm just playing...

Father, we pray for a precious refreshing on our brother and what they about to do, you were telling me about them, pastors, you guys are the couple, right? Going somewhere to be a missionary or a minister.

Father, we thank you for a refreshing on them.

Both of you got a strong anointing on you.

But it will be easier than you think, going to be easier than you think, and you got goods in you that will come out too as you give yourself to that calling. I know you know all that, you probably already been to bible school, but anyways I am just prophesying to you two.

I see some gifts in ya, both of you, Gifts of the Spirit, I don't know what they are right now or I would tell you, but I would just spend little extra time praying in the Holy Ghost coming up, like you know in the next several weeks, or something and ask God about it, He will speak to you about it, hallelujah, haha, your welcome!

I thank you for your Hand guiding their hands, you said whatever they put their hand to, so they have not held back their hand, they are not pulling it in, they are not putting it in their pocket, they are not just holding hands, they have given you their hands. And I thank you Lord whatever they put their hand to, by your direction, will prosper in the thing that you have ordained it to, there's divine purpose, there's divine planning, there's divinely appointed people. And we thank you Lord for particular at prescriptive meetings, no wasted time. Pinpointed - accuracy, knowing what is and knowing what isn't, and being happy to know both. Haha - Hallelujah. Traveling very lightly, very lightly, not collecting the weight of anything. Simply reporting everything to the head, not carrying the load of the assignment, but reporting everything of the assignment. Everything you see it is like intel, just report what you see, report what you hear, (Tongues) I just see you covering so much territory and Him directing your eyes to see things, and just simply report it to the head. What are you to do about it? Somethings only that, only that, and it will be distributed in other parts of the body as it needs to be. And then you will find your portion. You will find and discover your portion. You have a portion. Hahahaha. It's a good portion, but right now call Him Your Portion. He is the portion

of your inheritance and of your cup. He maintains your lot. The lines have fallen to you in pleasant places and you have a good inheritance. He has given you counsel, He will give you counsel. Constantly guided by Him and provided by Him. Hahahaha. Enjoy the ride, Enjoy the trip. (Tongues) In the name of Jesus, Hallelujah, thank you Jesus. Don't make any early decisions, just collect the intel and let Him put things together in the end. Hallelujah, amen...

Hi Carol,

Hope you and David are wonderful and well!

At staff prayer today, I found myself praying for you- what a joy! Thought I'd share and hope it encourages you as you go.

"France, the Breed's
Going going going NOW
With EVERYTHING they need
Many will be freed
The seed, the seed, the seed
They'll see harvest, a reaping now indeed
France is key
Right time right now

Kept praying out Indiana. Indiana in you (equipping)
Don't go slow
Expedited"

Lots of love and God Bless you Big Time!

Dr. MaryFrances Varallo to Max

"Crazy things that start to happen that want to get in your way, all you want to do is honor your blessed Lord. And stuff gets in your way. And then you have to get to the other side of it. Get over yourself and keep moving."

She went up in front of Max and started speaking straight to him. She even leaned over the front row chair to get closer to him in the second row:

"And I know that you know about this, I know that you know my blessed Lord. I witnessed to the life of the Christ in you.

And I witnessed to the fact also that it hasn't been that long when God almighty has so touched your life that you know there are others to be tended to. You're so..... you do that and you know how to draw the others in. And you know, it's almost as though, you came into earth with an assignment. And even with the youth, you came into earth with an assignment that hell was going to try its very best to stop you. And it really almost did. It almost did convince you. But somehow, some way, it got turned around. And when I look at you now, I see the gift. I see the dream of God. And it almost didn't happen. It almost didn't happen. And how He put so many circumstances and so many people in your life. And you wish they would leave you alone (She laughs and others laugh). Just get them out of my face! You know and ummm even at that, you know uhhh...there was one thing, even though you can be so ornery and so stubborn about things, you have that GRRR streak in you. But you, then again, that has saved your life and your story is going to save the lives of others. And because it takes that inside sometimes for our survival but for others too. And that's on you, that's in you. You're GOD'S DREAM. And uhh...you know, there was a movie called, this is a funny part and I don't know why the Holy Ghost says this but, the movie was called "Dead Man Walking" and you're the DREAM MAN WALKING. We should have lost you but you're alive and you're here and you're GOD'S DREAM. And you've got a job to do! Do you understand?" Max says, "yeh I do". "It's a big job. And you're right on time." With a strong powerful voice, "So I loose unto you, these giftings that I've carried for so many years." "It's not the discerning of spirits, because I

can't give you that. That's a gift of the Holy Spirit, but I carry giftings of seeing and knowing. And you're going to have to have that. You're going to have to see what's operating behind the one you are talking to, in order to help them, in order either to buddy up or to walk away from, because you'll see what's motivating behind them. You'll see so that you can help them. There will be those that come to for help. WOW, WHO ARE YOU? GOD ON YOU! DON'T YOU EVER FORGET TONIGHT. You are accountable now....and it's a matter of life and death. Understood? 'Cause you're going to make some people very angry. You've already done that....and you know what it's like to be around some very rough people that hurt you. You've watch them hurt others... You're going to hear, you're going to see by God almighty. You're going to know where to be, where not to be, who to be with, who not to be with, you'll be able to tell others the same. If everything about this trip to Effingham, whatever it was all about, I am sure of this, if it were just about YOU, for what I see, I still would have come, it was for just one person, YOU. Different time now...doesn't start 6 months from now, it just started.....AMEN.....QUICK WITTED AND FUNNY TOO."
